

AMABEL DROP WAIST SKIRT

To minimize fabric waste I placed the skirt and some waist parts on the weft = the crosswise grain instead of the lengthwise grain (warp). You are totally free to place your all parts on the warp instead ; consider doing this if your fabric is striped. Placing all parts on the warp will increase fabric consumption, add 50cm/0.6 yd of yardage.

Fabric width 140cm/55"
 Sizes A and B

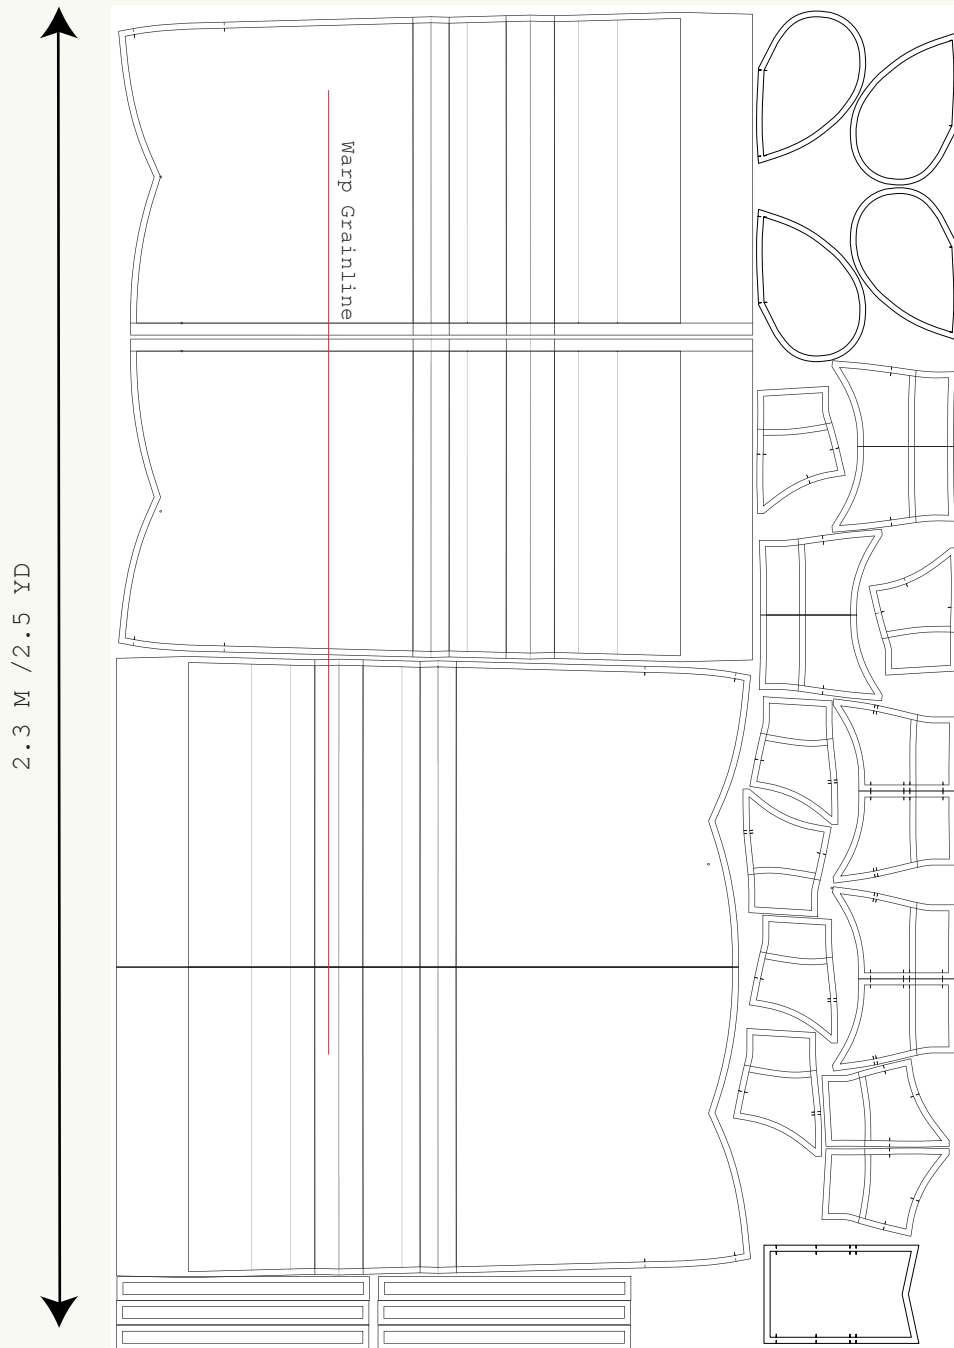

Fabric width 140cm/55"
Size C

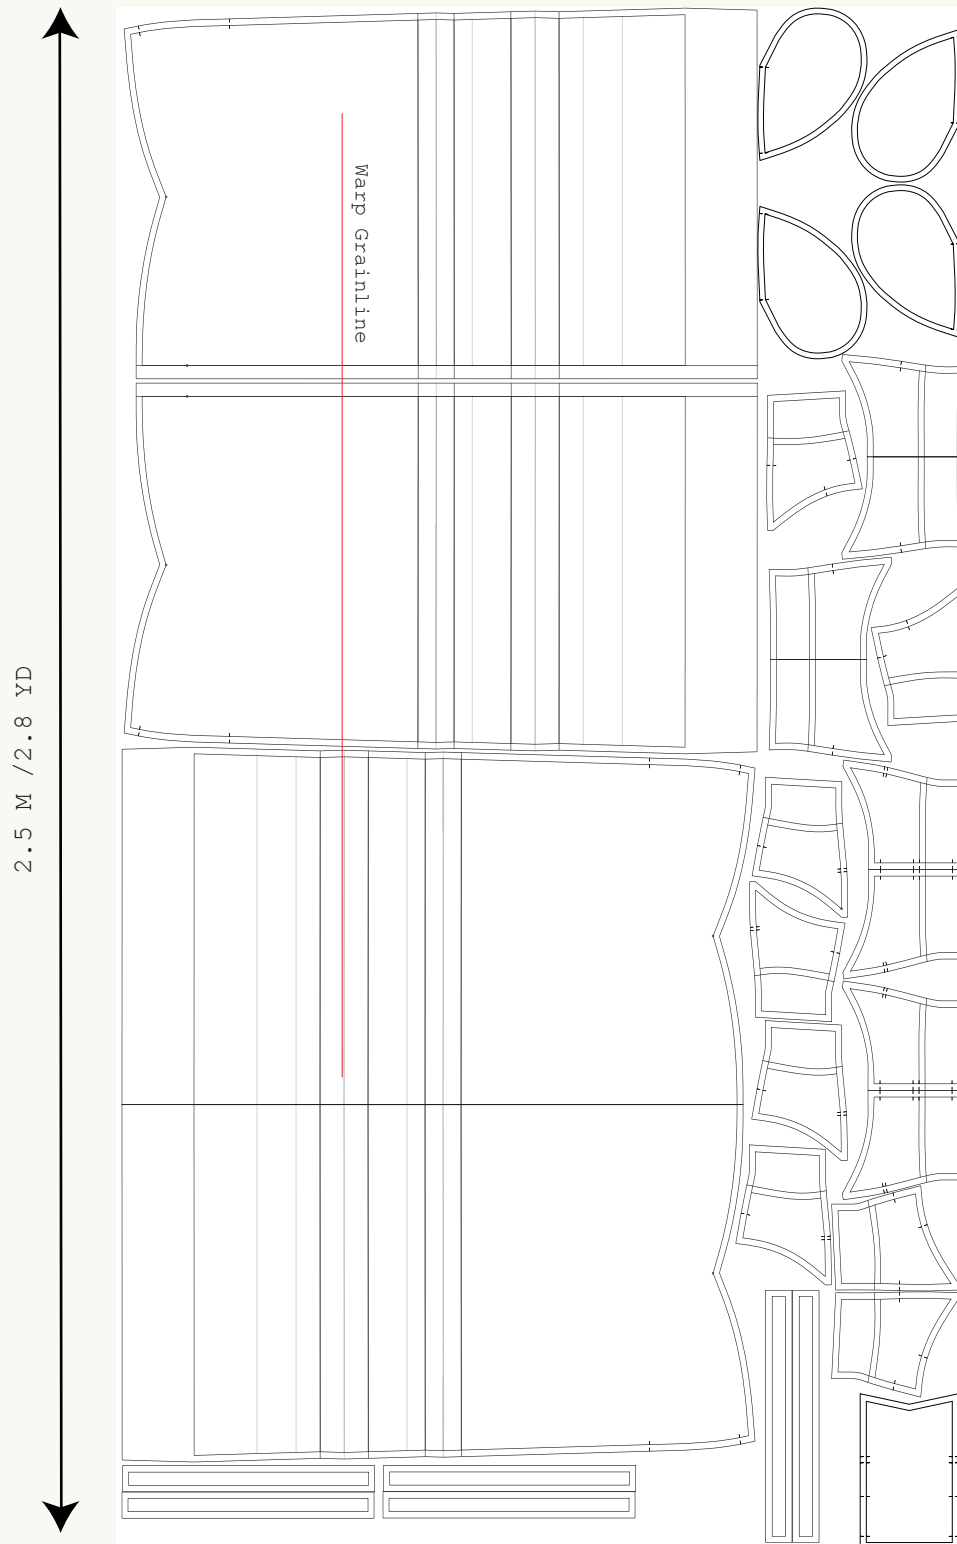

Fabric width 140cm/55"

Sizes D to F

Fabric width 140cm/55"

Sizes G to I

Fabric width 140cm/55"
Sizes J-L
